

REMARKS

The present communication responds to the Office communication of March 25, 2008, in which the Examiner subjected claims 1-27 to a restriction requirement.

I. Claims 1-16, drawn to a device for injecting a substance, classified in class 604, subclass 135;

II. Claims 17-27, drawing to a method for injecting a substance, classified in class 604, subclass 511.

Restriction and Election of Claims

In the outstanding Office Action, two inventions were identified in the grouping noted immediately above.

Applicant hereby elects the invention I.

Applicant makes this election without traverse.

Applicant respectfully asserts that the withdrawal of the claims should make the restriction now moot and that remaining claims should be examined together

After the election and withdrawal of the claims, claims 1-16 remain.

Claims 17-27 are withdrawn.

Conclusion

This application now stands in allowable form and reconsideration and allowance is respectfully requested.
